**DAMOVO APPOINTS PAUL BUTCHER AS MANAGING DIRECTOR**

Damovo UK, the Enterprise ICT Solutions and Services provider, has today announced the appointment of Paul Butcher as Managing Director. Paul joins the company to further strengthen Damovo's position within the UK market and to lead the company into a period of sustained and profitable growth.

Paul brings to the role a wealth of over 15 years' of experience in the ICT industry and a strong track record of growing businesses. Prior to Damovo, Paul's roles have included Head of Marconi Asia Pacific region, Head of Marconi Australia and Head of Ericsson's Enterprise business in Australia.

"I am pleased to be joining Damovo, at a very interesting time for the industry. Difficulties in the wider economy have increased the pressure on organisations to operate more efficiently and effectively and the technologies and services which Damovo offers will become ever more important in addressing these goals." Said Paul Butcher. "I am excited by the opportunity to build on Damovo's long standing strengths as a leading provider of ICT Solutions and Services, and to help our customers meet the challenges they face. "

**About Damovo**

Damovo designs, implements, supports and manages business communications. Its range of end-to-end communications solutions and services improve the way organisations work by connecting them with their people, information and clients.

Damovo has 30 years' experience in delivering data, mobility and voice solutions, and long-standing relationships with some of the leading vendors in this market, such as Ericsson, Cisco, Nortel and Genesys. This heritage enables Damovo to provide organisations with the best communications solution for their requirements, while guiding them from consultancy and design, through to implementation, support and education.

Damovo has more than 600 UK clients, spanning 5,000 sites across both public and private sectors. These include Mersey Care NHS Trust, Bournemouth University, Transport Initiatives Edinburgh, Manchester United, Electrolux, Network Rail, London Borough of Hackney, Transport for London, Nutricia, Bank of England, British Airports Authority and Imperial College Healthcare NHS Trust.
